

# FILL THE BACKPACK

## Host a "Fill the Backpack" drive for Dallas children living in poverty

Collected backpacks with supplies will be distributed at the Mayor's Back to School Fair on Friday, August 2. The Mayor's Back to School Fair is an annual event that provides Dallas students and families with essential back-to-school supplies, health screenings and services, and an array of information from educational, social, government and community organizations. Each year the event provides around 15,000 children Pre-K through 12th grade with school supplies.

### HOW IT WORKS:

Companies, faith-based organizations and community organizations may sign up to host a drive. Groups must be able to collect a minimum of 50 backpacks with the required school supply list to participate. Organizations hosting drives will be recognized on the MBTSF website and select printed materials.

**Deadline to sign-up to participate is June 21, 2019 and donations need to be collected by July 12, 2019.**
